(iii) where a motion or other matter is filed and served in accordance with the Ordinary Motions set on Shortened Notice Requirements under Paragraph 4(c) of this Order, the deadline for objections or response to such motion or matter shall be no later than two (2) business days prior to the start of the hearing.

The parties must announce the key terms of the settlement at the scheduled hearing. If the Court determines that the notice of the dispute and the hearing is adequate notice of the effects of the settlement, (*i.e.*, that the terms of the settlement are not materially different from what parties-in-interest could have expected if the dispute were fully litigated) the Court may approve the settlement at the hearing without further notice.

6. The Debtor shall give notice of this order to all parties in interest within seven days. If any party in interest, at any time, objects to the provisions of this order, that party shall file a motion articulating the objection and the relief requested. After hearing the objection and any responses, the Court may reconsider any part of this order and may grant relief, if appropriate.

7. Parties in interest are encouraged to review the Court's Complex Case Procedures in their entirety, *available at* <https://www.txnb.uscourts.gov/complex-case-procedures>.
